

## PD11-KNXs-FLAT-DX-FC Set 93523-92692

KNX PIR Motion Sensor (Deluxe) with 360°  
detection and a range of up to Ø9m (63 m²)

### Order data

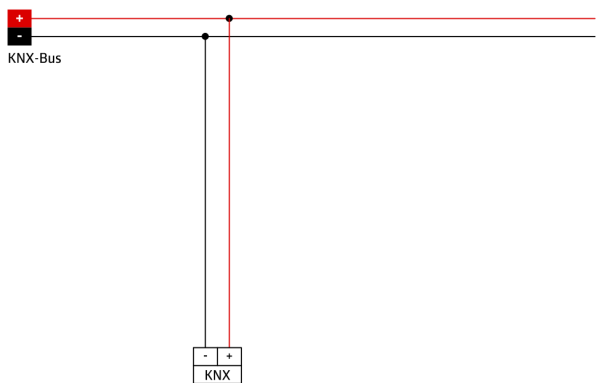

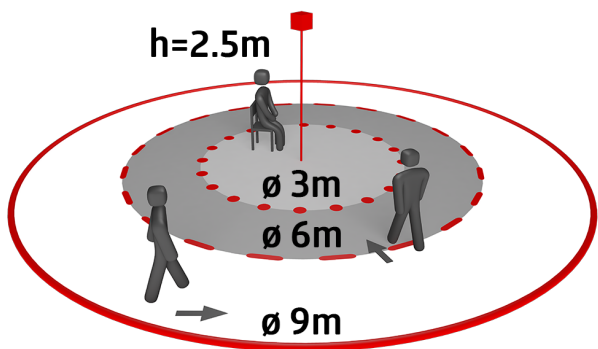

| Designation          | Colour | Art.No |
|----------------------|--------|--------|
| PD11-KNXs-FLAT-DX-FC | white  | 93523  |
| Cover ring PD11      | white  | 92692  |

## Technical data

|                                        |                                                            |
|----------------------------------------|------------------------------------------------------------|
| Voltage:                               | via KNX BUS<br><b>Ø 52 x 48 mm</b>                         |
| Dimensions:                            | <b>+ Ø 100 x 3 mm (92692)</b>                              |
| Typ. power input:                      | 12 mA                                                      |
| Detection area:                        | horizontal 360°<br>(Ceiling mounting)<br>max. Ø 9 m across |
| Range:                                 | max. Ø 6 m towards<br>max. Ø 3 m seated                    |
| Monitored area (tangential movement):  | 63 m² / 2.5 m mounting height                              |
| Mounting height min./max./recommended: | 2 m / 5 m / 2.5 m                                          |
| Degree / class of protection:          | IP54 / Class III                                           |
| Impact strength:                       | IK02                                                       |
| Ambient temperature:                   | -25 °C to +55 °C                                           |
| Temperature measurement range:         | -5 °C to +45 °C                                            |
| Housing:                               | polycarbonate, UV-resistant                                |
| Material color:                        | <b>white mat, similar to RAL9010 (92692)</b>               |
| Number of light sensors:               | 1                                                          |
| Number of PIR sensors:                 | 1                                                          |
| KNX TP 256:                            | Yes                                                        |
| KNX Secure:                            | Yes                                                        |
| Orientation light:                     | 5 – 100 % / OFF<br>/ 1 min – 255 min                       |
| Night light:                           | 5 – 100 %                                                  |
| Brightness set value:                  | 5 – 2000 Lux                                               |

## Product information

Set : PD11-KNXs-FLAT-DX-FC + Cover ring PD11 white mat, similar to RAL9010

## Set items

To receive the bundle according to the technical specification, please order the items listed.

**PD11-KNXs-FLAT-DX-FC**  
Art.No: 93523

Voltage: via KNX BUS  
Dimensions: Ø 52 x 48 mm  
Typ. power input: 12 mA

**Cover ring PD11**  
Art.No: 92692

Dimensions: Ø 100 x 3 mm  
Housing: polycarbonate, UV-resistant  
Material color: white mat, similar to RAL9010
